

To My Dear Husband

My Love, My Jameely ~

*We've shared so much through the years--
our home, our family,
the happy moments we've spent
and the challenges we've faced
together--
and every memory
is special to me
because you were a part of my life.*

*That's why I want you to know
how fortunate I feel
to have had a loving husband like you.*

*Love forever and always,
Your "Kimistry"*

"Father"

*A father's voice is music
to delight his children's ears....
Its laughter lifts their spirits.
Its cadence calms their fears.*

*A father's touch is magic.
It comforts, strengthens, warms...
Within his arms, his children find
a shelter from life's storms.*

*A father's gaze is powerful.
It challenges. It soothes....
It beams his pride, encourages,
interrogates, reprovcs.*

*So many priceless qualities
a father's love combines....
and mirrored in his children's eyes,
how brightly that love shines!*
