

"Never take life
for granted
cause tomorrow
is never promised"

To: Shawn Miller

the love of my life, my daughter's father and my best friend.

This isn't a goodbye.

Just a simple see you later...

You were a leader and an optimist
and now you're so much greater.
I've been blessed to have lived life
with you. No matter the trials and
tribulations, it won't be the same
here without you. But everything we
shared remains the same and
cannot be changed.

The love we have for you
will continue to grow, for you have
planted a really strong seed.
Kailey may not be able to remember-
but she's a big reason as to why none
of us here will ever forget.

But this isn't a goodbye.

Just a simple see you later...

My heart, you will always have. When
I feel like I can't move, just reach out
and give me your hand. I love you,
forever and a day. Kailey loves you
more in a very special father daugh-
ter way. This is just a rest, for you
have had a long day.

But this isn't a goodbye.

Just a simple see you later...

*Love your spiritual wife, love,
and best friend...*

A Precious One From Us Has Gone

A precious one from us has gone,

A voice we love is stilled.

A place is vacant in our home

Which never can be filled.

He will not be forgotten,

Though on earth he is no more.

But in memory he is with us,

As he always was before.

The Family*

Acknowledgments

*Perhaps you sent a lovely card or sat quietly in a chair,
Perhaps you sent a floral piece, if so, we saw it there.
Perhaps you spoke the kindness words as any friend could say.
Perhaps you were not there at all just thought of us that day.
Whatever you did to console our hearts we thank you so much what-
ever your part.*

Respectfully submitted, the family of Shawn Miller
